Hi, I’m Skidee

18 year old kid trying to learn and create useful and enjoyable stuff to help people and have fun.

Front-end Web Development

Pretty comfortable working with **HTML, CSS, Javascript and Bootstrap**.

also uses **Figma** for Designing and Prototyping.

Other than that I’m pretty comfortable using c/c++, git & github.

Music Production

Multi Genre Music Producer making beats using **FL Studio.**
creating **Trap Rap, Melodic**, Dark, Metallic, Super Trap, **Lo-fi**, and more sounds.

Editing and Animation

Basic at Video, Photo editing and Animation.
